Investment strategy

The certificate has been carefully crafted to seize opportunities in global equity markets while incorporating sustainable impact parameters provided by MSCI. Guided by Kyna, our proprietary algorithm, this certificate follows a meticulous approach to stock selection. With a commitment to sustainable and responsible investments, it offers investors privileged access to a diversified portfolio tailored for growth and sustainability. Through rigorous screening and in-depth analysis, we aim to deliver competitive returns while upholding the highest ethical and environmental standards. In doing so, we provide investors with a reliable and profitable avenue for capital growth, while maintaining a strong commitment to social and environmental responsibility.
